"DESIGN IS THINKING MADE VISUAL." — SAUL BASS

# About Us

○ **JDMS Technical Services LLC**, established in **2024** and headquartered in **Al Quoz, Dubai**, is a dynamic and fast-growing company specializing in **Furniture Works, Joinery Installation, and Interior Fit-Out Solutions**.

○ Since our inception, JDMS has built a reputation for **quality craftsmanship, precision, and reliability**. We bring together a team of experienced professionals who share a passion for transforming spaces into functional, aesthetic, and inspiring

○ At JDMS, we believe that interiors are not just about design — they are about creating experiences. Guided by our slogan, **“Inspiring Space and Inspired Living,”** we strive to craft spaces that reflect our clients’ vision, enhance comfort, and add value to every project we undertake.

# Our Services

## 01 | Furniture Works

We design, fabricate, and install custom-made furniture that combines functionality with aesthetics. Our skilled craftsmen deliver exceptional finishes and durability, ensuring each piece complements the interior's overall concept.

## 02 | Joinery Installation

From wooden doors and wardrobes to decorative ceilings, wall cladding, and cabinetry — our expert team delivers flawless joinery installation with precision and premium materials.

## 03 | Interior Fit-Out Works

JDMS provides complete interior fit-out solutions, including ceiling, flooring, partitions, and MEP coordination. Our integrated approach ensures seamless execution from planning to final handover.

## 04 | Turnkey Projects

We offer end-to-end turnkey solutions, managing every phase of your project — from design development and material sourcing to execution and finishing. Our goal is to deliver spaces that are ready for immediate use, combining efficiency, creativity, and quality under one roof.

## 05 | VENEER PRESSING SERVICES

**Premium Quality • Perfect Finishing • Strong Bonding**

- Bubble-free smooth surface
- Advanced hydraulic pressing
- MDF • Plywood • Blockboard pressing
- Consistent quality & timely delivery
- Ideal for interiors, joinery & furniture projects

### Product Categories:

- Artificial Veneer
- Natural Veneer
- Dyed Veneer
- Laminates

# Our Approach

At JDMS Technical Services LLC, we focus on **end-to-end project execution** with a client-centered approach. Every project begins with understanding the client's goals, design vision, and budget. Our in-house team then transforms that concept into reality through meticulous planning, superior workmanship, and strict quality control.

We **combine modern techniques, innovative materials, and skilled craftsmanship** to achieve results that meet international standards and exceed expectations.

## Why Choose JDMS

### Experienced Professionals:

Our team brings years of technical and artistic expertise in the interior and joinery industry.

### Commitment to Quality:

We maintain uncompromising quality in every detail — from material selection to final installation.

### On-Time Completion:

Efficient planning and execution ensure timely delivery of all projects.

### Tailored Solutions:

Every design and installation is customized to suit the client's unique needs and aesthetic preferences.

### Customer Satisfaction:

We prioritize clear communication, transparency, and long-term relationships with every client.

## Our Vision

To become a **leading Trunkkey interior solution service provider in the UAE**, known for delivering excellence, innovation, and sustainability in every project we undertake.

## Our Mission

To deliver **creative, reliable, and high-quality technical and interior solutions** that inspire modern living, enhance aesthetics, and exceed client expectations.

# Industries We Serve

## Our Values

- **Integrity:** We believe in transparency, honesty, and fairness in every dealing.
- **Quality:** Craftsmanship and precision define our work philosophy.
- **Innovation:** We embrace modern trends, techniques, and technologies.
- **Teamwork:** Collaboration drives our success.
- **Customer Focus:** Client satisfaction is our top priority.

# Our MEP & Additional Services

## Electrical Works

We provide complete electrical installation, maintenance, and upgrading services, ensuring safe, reliable, and energy-efficient power systems for residential, commercial, and industrial projects.

## HVAC Works

Our HVAC services cover the design, installation, and maintenance of heating, ventilation, and air-conditioning systems. We deliver optimized climate-control solutions focused on comfort, efficiency, and long-term performance.

## Fire Fighting Works

We supply and install fully compliant fire protection systems, including fire alarms, sprinklers, pumps, and suppression systems. Our solutions meet safety standards and enhance the overall security of your facility.

## CCTV & Security Systems

We offer advanced CCTV surveillance and security solutions, featuring high-definition cameras, access control, and monitoring systems to ensure complete protection and visibility for your premises.

## Music System / Public Address System

Our team installs high-quality audio and public address systems suitable for homes, offices, commercial spaces, and hospitality environments, providing crystal-clear sound and seamless system integration.

## Home Automation

We deliver smart home automation solutions that allow centralized control of lighting, climate, security, entertainment, and more—enhancing convenience, comfort, and modern living.

## Plumbing Works

We deliver comprehensive plumbing services, including water supply systems, drainage networks, sanitary installations, and maintenance. Our solutions ensure efficient water management, reliability, and long-lasting performance.
